To Whom It May Concern

Please accept this letter of recommendation for Andy Nuttall, who has indicated his interest in finding a position in publicity for a performing arts organization. I feel Andy has many appropriate qualities and is well-suited to publicity work.

In my dealings with him, Andy has displayed a natural propensity towards public relations. Andy and I worked together promoting the improvisational performance company, SAK THEATRE, from Orlando, Florida and the comedy troupe, THREE DEAD TROLLS IN A BAGGIE, on three separate occasions. I was the manager of these two groups while Andy was responsible for the publicity and promotion. His areas of responsibility included arranging media coverage and producing and distributing the posters. I am pleased to report that he generated a fabulous level of public awareness that led to great word of mouth, and consequently each presentation played to sold-out houses.

I am confident that with the opportunity to gain more experience he will prove to be a competent and effective publicist.

If you would like to discuss Andy and his qualities with me I can be reached at 426-4811.

Sincerely,

Dave Jackson  
Associate Director, Public Affairs
